Statements included herein that are not historical facts are forward looking statements. Such forward looking statements involve a number of risks and uncertainties and are subject to change at any time. In the event such risks and uncertainties materialize, AirAsia Indonesia's results could be materially affected. The risks and uncertainties include, but are not limited to, risks associated with the inherent uncertainty of airline travel, seasonality issues, volatile jet fuel prices, world terrorism, perceived safe destination for travel, Government regulation changes and approval, including but not limited to the expected landing rights into new destinations.
